Best Used Car Awards Methodology

CarGurus Best Used Car Awards winners were selected from late-model cars with test drive reviews, available for sale in the United States. Vehicle generations that include the 2014 model year were considered in their entirety when evaluating potential winners. Cars were evaluated on criteria including CarGurus user

reviews, professional test drive reviews, popularity, availability, and projected 12-year value retention. The model with the highest overall score was determined to be the winner for each category.
