ARTICLE VIII
TERMINATION

8.1 Termination Events. This Agreement may be terminated prior to the Closing:

(a) by the mutual written consent of Buyer and the Sellers’ Representative;

(b) by Buyer, if the Closing has not taken place on or before 5:00 p.m. (Eastern time) on December 31, 2023 (the “End Date”); provided, that Buyer shall not be permitted to terminate this Agreement pursuant to this Section 8.1(b) if the failure to consummate the sale of the Purchased Units by the End Date results from, or is caused by, a material breach by Buyer of any of its representations, warranties, covenants or agreements contained herein;

39
(c) by Buyer or the Sellers’ Representative if a court of competent jurisdiction or other Governmental Authority shall have issued a final and nonappealable Order, or shall have taken any other action, having the effect of permanently restraining, enjoining or otherwise prohibiting the sale of the Purchased Units as contemplated herein;

(d) by Buyer if: (i) any of the representations and warranties the Members or the Company contained in this Agreement shall be inaccurate as of the Agreement Date, or shall have become inaccurate as of a date subsequent to the Agreement Date, such that the condition set forth in Section 6.1 would not be satisfied; (ii) any of the covenants of the Company or the Members contained in this Agreement shall have been breached such that the condition set forth in Section 6.2 would not be satisfied; or (iii) any Material Adverse Effect shall have occurred, or any event or other Effect shall have occurred or circumstance or other Effect shall exist that, in combination with any other events, circumstances or other Effects, would reasonably be expected to have or result in a Material Adverse Effect; provided, however, that, in the case of clauses “(i)” and “(ii)” only, if an inaccuracy in any of the representations and warranties of the Company or the Members as of a date subsequent to the Agreement Date or a breach of a covenant by the Company or any Member is curable by the Company or such Member through the use of reasonable efforts within ten (10) Business Days after Buyer notifies the Sellers’ Representative in writing of the existence of such inaccuracy or breach (the “Member Cure Period”), then Buyer may not terminate this Agreement under this Section 8.1(d) as a result of such inaccuracy or breach prior to the expiration of the Member Cure Period, provided the Company or the applicable Member, during the Member Cure Period, continues to exercise reasonable efforts to cure such inaccuracy or breach (it being understood that Buyer may not terminate this Agreement pursuant to this Section 8.1(d) with respect to such inaccuracy or breach if such inaccuracy or breach is cured prior to the expiration of the Member Cure Period);

(e) by the Sellers’ Representative if: (i) any of Buyer’s representations and warranties contained in this Agreement shall be inaccurate as of the Agreement Date, or shall have become inaccurate as of a date subsequent to the Agreement Date, such that the condition set forth in Section 7.1 would not be satisfied; or (ii) if any of Buyer’s covenants contained in this Agreement shall have been breached such that the condition set forth in Section 7.2 would not be satisfied; provided, however, that if an inaccuracy in any of Buyer’s representations and warranties as of a date subsequent to the Agreement Date or a breach of a covenant by Buyer is curable by Buyer through the use of reasonable efforts within ten (10) Business Days after the Sellers’ Representative notifies Buyer in writing of the existence of such inaccuracy or breach (the “Buyer Cure Period”), then the Sellers’ Representative may not terminate this Agreement under this Section 8.1(e) as a result of such inaccuracy or breach prior to the expiration of the Buyer Cure Period, provided Buyer, during the Buyer Cure Period, continues to exercise reasonable efforts to cure such inaccuracy or breach (it being understood that the Sellers’ Representative may not terminate this Agreement pursuant to this Section 8.1(e) with respect to such inaccuracy or breach if such inaccuracy or breach is cured prior to the expiration of the Buyer Cure Period).

8.2 Termination Procedures. If Buyer wishes to terminate this Agreement pursuant to Section 8.1, Buyer shall deliver to the Sellers’ Representative a written notice stating that Buyer is terminating this Agreement and setting forth a brief description of the basis on which Buyer is terminating this Agreement. If the Sellers’ Representative wishes to terminate this Agreement pursuant to Section 8.1, the Sellers’ Representative shall deliver to Buyer a written notice stating that the Sellers’ Representative is terminating this Agreement and setting forth a brief description of the basis on which the Sellers’ Representative is terminating this Agreement.

8.3 Effect of Termination. If this Agreement is terminated pursuant to Section 8.1, all further obligations of the parties under this Agreement shall terminate; provided, however, that: (a) neither any Member nor Buyer shall be relieved of any obligation or Liability arising from any willful breach by such party of any provision of, contained in this Agreement; (b) the parties shall, in all events, remain bound by

40
and continue to be subject to the provisions set forth in Article X; and (c) the parties shall, in all events, remain bound by and continue to be subject to Sections 5.5, 5.8, and 5.9.

ARTICLE IX
INDEMNIFICATION

9.1 Survival of Representations, Covenants and Agreements.

(a) General Survival. Subject to Section 9.1(c), the representations and warranties of the Members made in this Agreement and the Members’ Closing Certificate (in each case other than the Member Fundamental Representations) shall survive the Closing until 11:59 pm (Eastern time) on the date that is twelve (12) months following the Closing Date (the “Expiration Date”); provided, however, that if, at any time on or prior to the Expiration Date, any Buyer Indemnified Party delivers a written notice in accordance with the terms hereof, alleging the existence of an inaccuracy in or a breach of any of such representations and warranties and asserting a claim for recovery under Section 9.2 based on such alleged inaccuracy or breach, then the claim asserted in such notice shall survive the Expiration Date until such time as such claim is fully and finally resolved. The representations and warranties of Buyer contained in this Agreement, the Transaction Documents or in any certificate or other instrument delivered pursuant to this Agreement shall terminate at the Closing.

(b) Fundamental Representations. Notwithstanding anything to the contrary contained in Section 9.1(a), but subject to Section 9.1(c), the Member Fundamental Representations shall survive until the thirtieth (30th) day following the expiration of the longest statute of limitations applicable to the subject matter thereof; provided, however, that if, at any time on or prior to the expiration of all applicable statutes of limitation referred to in this sentence, any Buyer Indemnified Party delivers a written notice in accordance with the terms hereof, alleging the existence of an inaccuracy in or a breach of any Member Fundamental Representation and asserting a claim for recovery under Section 9.2 based on such alleged inaccuracy or breach, then the claim asserted in such notice shall survive the applicable expiration date until such time as such claim is fully and finally resolved.

(c) Fraud. Notwithstanding anything to the contrary contained in Section 9.1(a) or Section 9.1(b), the limitations set forth in Section 9.1(a) and Section 9.1(b) shall not apply in the event of any fraud, intentional misrepresentation or willful breach by or on behalf of the Company (other than at the direction of Buyer), the Sellers’ Representative or any Member.

(d) Covenants. Any covenant or obligation of the Company, the Members or the Sellers’ Representative in this Agreement shall survive the Closing until the date fully performed.

(e) General. Except to the extent that a different time period is expressly set forth herein for a particular cause of action, actions hereunder may be brought at any time prior to the maximum period allowable under Section 8106(c) of Title 10 of the State of Delaware Code.

9.2 Indemnification.

(a) Indemnification of Buyer Indemnified Parties. From and after the Closing, each Indirect Member (severally and not jointly, in accordance with its Pro Rata Portion) shall indemnify and hold harmless Buyer and its respective officers, directors, employees, agents and Affiliates (including the Company), and their respective direct and indirect partners, members, shareholders, directors, officers, employees and agents (collectively, the “Buyer Indemnified Parties”) from and against any and all Losses directly or indirectly arising out of, related to, accrued or incurred in connection with:
any breach of or inaccuracies in any representation or warranty made by the Members in this Agreement or in any certificate delivered to Buyer at the Closing (including the Members’ Closing Certificate) (other than Losses arising out of, related to, accrued or incurred in connection with any breach of or inaccuracies in any representations or warranties made in Article II by an Indirect Member, for which only the applicable Member responsible for such breach shall indemnify and hold harmless the Buyer Indemnified Parties);

(ii) any breach or nonperformance of any covenant or obligation in this Agreement to be performed by the Members or the Company hereunder (other than Losses arising out of, related to, accrued or incurred in connection with any breach or nonperformance of any covenant or obligation in this Agreement to be performed by an Indirect Member in his, her, or its capacity as an Indirect Member, for which only the applicable Indirect Member responsible for such breach or nonperformance shall indemnify and hold harmless the Buyer Indemnified Parties);

(iii) regardless of the disclosure of any matter set forth in the Disclosure Schedule, any inaccuracy in any information, or breach of any representation or warranty, set forth in a Consideration Spreadsheet, including any failure to properly calculate the portion of the Purchase Price payable to any Member;

(iv) any Member Transaction Expenses (to the extent not taken into account in determining the amount of the Closing Payment pursuant to Section 1.5(b));

(v) (A) any fraud or intentional misrepresentation committed by the Company (other than at the direction of the Buyer), the Member Representative, the Members or any of its or their Representatives or Affiliates in connection with the Transactions or (B) any willful breach of this Agreement or any Transaction Documents committed by the Company (other than at the direction of the Buyer), the Member Representative, the Members or any of its or their Representatives or Affiliates;

(vi) any Member-Related Claims;

(vii) the fraud, gross negligence or willful misconduct prior to the Closing of the Company or any member of the Company’s senior management or, to the extent known to any member of the Company’s senior management, of its employees, agents or representatives;

(viii) any indemnifiable loss of the Company based upon a Third Party Claim under the Pearl Acquisition Agreement, including as a result of or arising from (A) any breach of the Fundamental Representations (as defined in the Pearl Acquisition Agreement) of Pearl set forth therein or in the other Transaction Documents, Schedules or certificates delivered in connection therewith (each capitalized term as defined in the Pearl Acquisition Agreement), (B) any breach or nonfulfillment of any covenant or agreement on the part of Pearl under the Pearl Acquisition Agreement or the other Transaction Documents (as defined in the Pearl Acquisition Agreement), recognizing that the Company delayed the wind-down of Pearl and its subsidiaries, which is now addressed in Section 6.15, (C) the Excluded Liabilities (as defined in the Pearl Acquisition Agreement), or (D) all Taxes arising from the transactions contemplated by the Pearl Acquisition Agreement; and

42
any costs and expenses of enforcement to recover Losses due to any Buyer Indemnified Party under this Article IX.

(b) Materiality. For purposes of determining whether or not there has been an inaccuracy or breach of a representation or warranty as well as the amount of any Loss incurred in connection with any inaccuracy or a breach of a representation or warranty for which a Buyer Indemnified Party is entitled to indemnification pursuant to Section 9.2(a)(i), all references to “material” or “Material Adverse Effect” or other similar qualifiers included in such representations and warranties shall be disregarded.

9.3 Limitations.

(a) Deductible. Subject to Section 9.3(c), no Buyer Indemnified Party shall be entitled to any indemnification payment pursuant to Section 9.2(a)(i) for any inaccuracy in or breach of any representation or warranty made in Article III of this Agreement until such time as the total amount of all Losses (including the Losses arising from such inaccuracy or breach and all other Losses arising from any other inaccuracies or breaches of any such representations or warranties made in Article III of this Agreement) that have been directly or indirectly suffered or incurred by any one or more of such Buyer Indemnified Parties exceeds $375,000 in the aggregate (the “Deductible Amount”). If the total amount of such Losses exceeds the Deductible Amount, then the Buyer Indemnified Parties shall be entitled to be indemnified against and compensated and reimbursed for the portion of such Losses exceeding the Deductible Amount.

(b) Recourse to Escrow Fund. Subject to Section 9.3(c) and Section 9.8, recourse by the Buyer Indemnified Parties to the Escrow Fund shall be the Buyer Indemnified Parties’ sole and exclusive remedy under this Agreement against the Indirect Members for monetary Loss resulting from any inaccuracy in or breach of any representation or warranty made in Article III of this Agreement.

(c) Applicability of Escrow Amount Cap; Indemnification Cap.

(i) Notwithstanding anything in this Article IX to the contrary, the limitations set forth in Section 9.3(a) and Section 9.3(b) shall not apply (and shall not limit the indemnification or other obligations of any Indirect Member): (A) in the event of any claim of fraud, intentional misrepresentation or willful breach by or on behalf of the Company (other than at the direction of Buyer), the Sellers’ Representative, or any Member; or (B) for inaccuracies in or breaches of the Member Fundamental Representations.

(ii) The total amount of indemnification payments that each Indirect Member can be required to make to the Buyer Indemnified Parties pursuant to Section 9.2(a) (in excess of the amount, if any, that was withheld with respect to such Indirect Member as a contribution to the Escrow Fund and paid to Buyer or any other Buyer Indemnified Party out of the Escrow Fund) shall be limited to an amount equal to such Indirect Member’s Member Cap. For the avoidance of doubt, the foregoing shall not limit or otherwise restrict the right of any Buyer Indemnified Party to pursue remedies (X) under any Transaction Document or other agreement or instrument against the parties thereto or (Y) in connection with any claim of fraud, intentional misrepresentation or willful breach by or on behalf of the Company (other than at the direction of the Buyer), Sellers’ Representative or any Member (for which there shall be no limitation of liability hereunder).

(iii) With respect to (X) any claim of fraud, intentional misrepresentation or willful breach by or on behalf of the Company (other than at the direction of the Buyer), Sellers’ Representative or any Member; (Y) inaccuracies in or breaches of any Member
Fundamental Representations; and (Z) any of the matters referred to in Sections 9.2(a)(ii) through 9.2(a)(ix), inclusive, the Buyer Indemnified Parties may, in their sole and absolute discretion, seek to recover amounts in respect of such claims, without order of priority, (1) directly from the Indirect Members, and (2) from the Escrow Fund.

(iv) Notwithstanding anything to the contrary in this Section 9.3, after the release of the Thompson Released Amount, in the event Buyer is entitled to a release of any funds from the Escrow Fund on account of any Losses, (i) the amount released to Buyer from the Escrow Fund shall be equal to the amount of such Losses recoverable from the Escrow Fund pursuant to other provisions of this Agreement multiplied by the aggregate Pro Rata Portion of all Indirect Members (other than the Pro Rata Portion of T5) and (ii) T5 shall pay to Buyer T5’s Pro Rata Portion of all such Losses.

(d) The Indirect Members shall not be liable under this Article IX for any Losses based upon or arising out of any inaccuracy in or breach of any of the representations or warranties of the Members contained in this Agreement solely to the extent the Sellers’ Representative can demonstrate that a Buyer Knowledge Party had actual knowledge of such inaccuracy or breach prior to the Agreement Date.

(e) Subject to Section 9.3(f) below, this Article IX shall be the sole and exclusive remedy of the Buyer Indemnified Parties from and after the Closing for any claims arising under, or in connection with, this Agreement, including claims of any inaccuracy in or breach of any representation, warranty or covenant in this Agreement or any certificate delivered pursuant hereto; provided, however, that this Section 9.3(e) shall not be deemed a waiver by any party of any right to specific performance or injunctive relief, provided, further, that this Section 9.3(e) shall not prevent or limit any claim in the event of fraud, intentional misrepresentation or willful breach by or on behalf of the Company (other than at the direction of Buyer), the Sellers’ Representative or any Member.

(f) Nothing in this Agreement, including Section 9.3(e) and Section 9.9, shall limit the right of Buyer or any other Buyer Indemnified Party to pursue any and all available remedies under any Transaction Document against the parties thereto.

(g) All payments (if any) made to a Buyer Indemnified Party in connection with a breach of this Agreement will be treated as adjustments to the Purchase Price for Tax purposes and such agreed treatment will govern for purposes of this Agreement, unless otherwise required by Law.

(h) No Buyer Indemnified Party is to be entitled to recover any Losses pursuant to this Article IX to the extent such Buyer Indemnified Party has recovered the full cash amount of such Losses pursuant to another provision of this Agreement or otherwise, so as to avoid duplication or “double counting” of the same Losses. For the avoidance of doubt, if a Buyer Indemnified Party is entitled to indemnification under more than one provision of this Agreement with respect to Losses, then such Buyer Indemnified Party shall be entitled to only one indemnification or recovery for such Losses to the extent it arises out of the same set of circumstances and events. This Section 9.3(b) is intended solely to preclude a duplicate recovery by a Buyer Indemnified Party. Nothing herein shall preclude a Buyer Indemnified Party from seeking the maximum amount of potential indemnifiable Losses in accordance with the terms of this Agreement.

9.4 No Contribution. Each Member waives, and acknowledges and agrees that such Member shall not have and shall not exercise or assert (or attempt to exercise or assert), any right of contribution, right of indemnity or advancement of expenses or other right or remedy against the Buyer or the Company in connection with any indemnification obligation or any other Liability to which such Member may become subject under or in connection with this Agreement or any other Transaction Document. Effective
as of the Closing, the Sellers’ Representative, on behalf of itself and each Member, and each Member expressly waives and releases any and all rights of subrogation, contribution, advancement, indemnification or other claim against Buyer or the Company.

9.5 Claims Procedures. Any claim for indemnification pursuant to this Article IX (and, at the option of any Buyer Indemnified Party, any claim pursuant to Section 9.2(a)(vi)) shall be brought and resolved as follows:

(a) If any Buyer Indemnified Party has or claims in good faith to have incurred or suffered, or believes in good faith that it may incur or suffer, any Loss for which it is or may be entitled to indemnification under this Article IX or for which it is or may otherwise be entitled to a monetary remedy relating to this Agreement or the Transactions, such Buyer Indemnified Party may deliver a claim certificate (a “Claim Certificate”) to the Sellers’ Representative. Each Claim Certificate shall: (i) contain a brief description of the facts and circumstances supporting the Buyer Indemnified Party’s claim; and (ii) if practicable, contain a non-binding, preliminary, good faith estimate of the amount to which the Buyer Indemnified Party might be entitled. Such Buyer Indemnified Party may update a Claim Certificate from time to time to reflect any change in circumstances following the date thereof. If a claim under this Article IX may be brought under different or multiple sections, clauses or sub-clauses of Article IX (or with respect to different or multiple representations, warrants or covenants), then, subject to the conditions, qualifications and limitations and other provisions of this Article IX, the Buyer Indemnified Party shall have the right to bring such claim under any or each such section, clause, sub-clauses, representation, warranty or covenant (each a “Subject Provision”) that it chooses, and the Buyer Indemnified Party will not be precluded from seeking indemnification under any Subject Provision by virtue of the Buyer Indemnified Party not being entitled to seek indemnification under any other Subject Provision.

(b) After the giving of any Claim Certificate pursuant hereto, the amount of indemnification to which a Buyer Indemnified Party shall be entitled under this Article IX shall be determined (i) by the written agreement between the Buyer Indemnified Party and the Sellers’ Representative, (ii) by a final judgment or decree of any court of competent jurisdiction or (iii) by any other means to which the Buyer Indemnified Party and the Sellers’ Representative shall agree. For purposes of this Agreement, the judgment or decree of a court shall be deemed final when the time for appeal, if any, shall have expired and no appeal shall have been taken or when all appeals taken shall have been finally determined.

(c) Subject to Section 9.7 and the limitations set forth in Section 9.3, in the event that any Losses are determined to be owed to any Buyer Indemnified Party, each Indirect Member shall promptly, and in no event later than five (5) Business Days after the determination of Losses hereunder, wire transfer to Buyer an amount equal to the product of (x) such Indirect Member’s Pro Rata Portion, multiplied by (y) the aggregate amount of such Losses (other than Losses arising out of, related to or incurred or accrued in connection with any breach of or inaccuracies in any representation or warranties made by an Indirect Member in Article II, any breach of a covenant by an Indirect Member or any fraud, intentional misrepresentation or willful breach by an Indirect Member, for which the applicable Indirect Member responsible for such breach or act shall wire transfer to Buyer an amount equal to the entire aggregate amount of such Loss).

9.6 Third Party Claims.

(a) Third Party Claims. If any Buyer Indemnified Party receives notice of the assertion or commencement of any claim or Action (whether against the Company, Buyer or any other Person) made or brought by any Person who is not a party to this Agreement or an Affiliate of a party to this Agreement or a Representative of any of the foregoing (a “Third Party Claim”) against such Buyer Indemnified Party
with respect to which the Indirect Members are obligated to provide indemnification under this Agreement, the Buyer Indemnified Party shall
give the Sellers’ Representative reasonably prompt written notice thereof. The failure to promptly give such written notice shall not, however, relieve the Indirect Members of their indemnification obligations, except and only to the extent that the Indirect Members are actually and materially prejudiced thereby. Such notice by the Buyer Indemnified Party shall describe the Third Party Claim in reasonable
detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the Loss that have been or may be sustained by the Buyer Indemnified Party. With respect to any Third Party Claim for which any Buyer Indemnified Party is seeking indemnification hereunder, the Buyer Indemnified Party shall have the right to defend (at the expense of the Indirect Members) or to settle or compromise such claim; provided that any such settlement or compromise made without the Sellers’ Representative’s consent (not to be unreasonably conditioned, delayed or withheld) shall not be determinative of the amount of any Losses under this Agreement. The Sellers’ Representative (at the expense of the Indirect Members) shall be entitled, at its sole option and expense, to participate in, but not to determine or conduct, the defense of any such Third Party Claim; provided, further, that, for the sake of clarity, it is agreed that the Members shall not have the ability, without the prior written consent of such Buyer Indemnified Party, to petition, make any motion to, or take any other procedural action in connection with such Third Party Claim.

(b) Cooperation. The Sellers’ Representative, the Members, and the Buyer Indemnified Party shall each use commercially reasonable efforts in good faith to cooperate with each other in all reasonable respects in connection with the defense of any Third Party Claim, including, upon the reasonable request of Buyer, providing copies of records within the Member’s possession or control relating to such Third Party Claim and making available, without expense (other than reimbursement of actual out-of-pocket expenses), Representatives of the Members, as may be reasonably necessary for the preparation of the defense of such Third Party Claim.

9.7 Release from Escrow

(a) Within five (5) Business Days after the Expiration Date, Buyer will notify the Sellers’ Representative in writing of the amount that Buyer determines in good faith to be necessary to satisfy all claims for indemnification that have been asserted against the Escrow Fund, but not resolved on or prior to 11:59 p.m. (Eastern time) on the Expiration Date (each such claim a “Continuing Claim” and such amount, the “Retained Escrow Amount”). Subject to Section 9.7(b), within five (5) Business Days following the Expiration Date, Buyer and the Sellers’ Representative shall execute and deliver joint written instructions to the Escrow Agent instructing the Escrow Agent to release from the Escrow Fund an amount in the aggregate equal to (i) the amount held in the Escrow Fund as of the Expiration Date (as reduced from time to time pursuant to the terms of this Agreement) minus (ii) the Retained Escrow Amount, to the Payment Agent for distribution to Indirect Member, on behalf of the Direct Members, in accordance with each Indirect Member’s Pro Rata Portions. Upon the full and final resolution of any Continuing Claims, all remaining funds in the Escrow Fund shall be distributed to the Indirect Members, on behalf of the Direct Members, in accordance with the procedures set forth in this Section 9.7(a).

(b) Notwithstanding anything to the contrary in Section 9.7(a), in the event of a Thompson Covenant Violation and related release of the Thompson Released Amount from the Escrow Fund, thereafter (i) T5 will no longer be permitted to receive any funds released from the Escrow Fund and (ii) any release from the Escrow Fund shall be made to the Indirect Members (other than T5), on behalf of the Direct Members, on a relative pro rata basis to the Indirect Members (other than T5) calculated by multiplying such amount to be so released from the Escrow Fund by a fraction the numerator of which is such Indirect Member’s Pro Rata Portion and the denominator of which is the aggregate Pro Rata Portion of all Indirect Members (other than T5).
(c) With respect to any amount to be released to the Direct Members pursuant to the Escrow Agreement or Section 9.7(a): (i) each distribution to be made from the Escrow Fund to a particular Indirect Member on behalf of a Direct Member shall be effected in accordance with the payment delivery instructions and in the amounts set forth in the Consideration Spreadsheet; and (ii) all written instructions to be delivered to the Escrow Agent with respect to any distribution from the Escrow Fund shall be consistent with this Section 9.7(b).

(d) Within five (5) Business Days after any amounts are determined to be owed to Buyer from the Escrow Fund, Buyer and the Sellers’ Representative shall execute and deliver joint written instructions to the Escrow Agent instructing the Escrow Agent to release from the Escrow Fund such amounts payable to Buyer.

9.8 Bruce Thompson Escrow. Notwithstanding anything to the contrary in this Agreement, if Bruce Thompson violates or breaches any provision of the Thompson Restrictive Covenant Agreement (“Thompson Covenant Violation”), T5 will forfeit its Pro Rata Portion of the amount remaining in the Escrow Fund at the time of such violation (“Thompson Released Amount”). Within (5) Business Days following the date of a Thompson Covenant Violation, Buyer and the Sellers’ Representative shall execute and deliver joint written instructions to the Escrow Agent instructing the Escrow Agent to release from the Escrow Fund an amount equal to the Thompson Released Amount to the Buyer. Notwithstanding the reduction of T5’s Pro Rata Portion, or anything else to the contrary contained in this Agreement, Bruce Thompson and T5 shall still remain responsible for T5’s Pro Rata Portion (without giving effect to any adjustment in T5’s Pro Rata Portion) of all Losses in accordance with the provisions of this Article IX and Section 10.16, including any Losses that are otherwise limited to recovery from the Escrow Fund.

ARTICLE X
MISCELLANEOUS PROVISIONS

10.1 Amendment and Modification. This Agreement may be amended, modified, and supplemented only by written agreement of Buyer and the Sellers’ Representative.

10.2 Waiver of Compliance. The rights and remedies of the parties to this Agreement are cumulative and not alternative. Neither the failure nor any delay by any party in exercising any right, power, or privilege under this Agreement will operate as a waiver of such right, power, or privilege, and no single or partial exercise of any such right, power, or privilege will preclude any other or further exercise of such right, power, or privilege or the exercise of any other right, power, or privilege. To the maximum extent permitted by applicable Law, (a) no claim or right arising out of this Agreement or the documents referred to in this Agreement can be discharged by one party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other party; (b) no waiver that may be given by a party will be applicable except in the specific instance for which it is given; and (c) no notice to or demand on one party will be deemed to be a waiver of any obligation of such party or of the right of the party giving such notice or demand to take further action without notice or demand as provided in this Agreement.

10.4 Binding Nature; Assignment. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns, but neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties hereto without prior written consent of the other parties. Notwithstanding the foregoing, Buyer may assign or transfer all or any part of its rights and obligations under this Agreement to an Affiliate of Buyer without written consent, provided that no such assignment or transfer shall relieve Buyer of its obligations under this Agreement. Nothing contained herein, express or implied, is intended to confer on any person other than the parties hereto or their successors and permitted assigns, any rights, claims, benefits, remedies, obligations or Liabilities under or by reason of this Agreement.

10.5 Entire Agreement. The parties hereto agree that the Put Call Annex shall automatically terminate and be of no further force or effect, and no party shall have any further rights or obligations thereunder, upon the Closing.

10.6 Expenses. Except as otherwise expressly provided herein, each party to this Agreement will pay its own costs and expenses in connection with the negotiation of this Agreement, the performance of its obligations hereunder, and the consummation of the Transactions.

10.7 Press Releases and Announcements. No press release related to this Agreement or the transactions contemplated herein, or other public announcement or announcement to the employees, customers, or suppliers of the Company, will be issued by the Company or any Member without the prior written approval of Buyer, except as otherwise required by Law.

10.8 Governing Law. This Agreement shall be construed in accordance with, and governed in all respects by, the internal laws of the State of Delaware (without giving effect to principles of conflicts of laws).

10.10 Waiver of Jury Trial. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

CarGurus Announces Third Quarter 2023 Results

"We are pleased to have exceeded our forecasted consolidated adjusted EBITDA guidance range for the quarter," said Jason Trevisan, Chief Executive Officer at CarGurus. Our advancements in Digital Retail and Digital Wholesale demonstrate our progress toward being the only end-to-end automotive transaction-enabled platform. We are excited by the trajectory of our platform and rapid innovation and are pleased to announce that our Board has authorized a $250 million share repurchase program, which underscores our commitment to using our strong cash flow to enhance shareholder value. Looking ahead, we believe our accomplishments and trend lines exiting this year, coupled with our decision to accelerate our purchase of the remaining stake in CarOffer, set the stage for continued financial growth and innovation in 2024 that will serve well our dealer partners and largest consumer audience."

Third Quarter Business Metrics

• U.S. Marketplace segment revenue was $164.3 million, an increase of 6% year-over-year. U.S. Marketplace segment operating income was $33.3 million, a decrease of (4)% year-over-year.

• Digital Wholesale segment revenue was $41.5 million, a decrease of (84)% year-over-year. Digital Wholesale segment operating loss was $(11.7) million, an increase of 224% year-over-year.

• Total paying dealers were 31,191 as of September 30, 2023, roughly flat year-over-year. Of the total paying dealers as of September 30, 2023, U.S. and International accounted for 24,368 and 6,823, respectively, a decrease of (1)% and an increase of 3%, respectively, year-over-year.

• Quarterly Average Revenue per Subscribing Dealer ("QARSD") in the U.S. was $6,332 as of September 30, 2023, an increase of 9% year-over-year. QARSD in International markets was $1,721 as of September 30, 2023, an increase of 14% year-over-year.

• Website traffic and consumer engagement metrics for the third quarter of 2023 were as follows:
  ▪ U.S. average monthly unique users were 31.7 million, an increase of 8% year-over-year.
  ▪ U.S. average monthly sessions were 83.9 million, an increase of 11% year-over-year.
  ▪ International average monthly unique users were 7.0 million, an increase of 4% year-over-year.
  ▪ International average monthly sessions were 16.0 million, an increase of 6% year-over-year.

• Transactions were 13,562, a decrease of (66)% year-over-year.

(1) CarOffer website is excluded from the metrics presented for users and sessions.

(2) Effective as of the fourth quarter of 2022 the Company revised its segment reporting from one reportable segment to two reportable segments, U.S. Marketplace and Digital Wholesale. The change in segment reporting was a triggering event for an evaluation of goodwill impairment. As such, the Company evaluated for goodwill impairment on December 31, 2022, and did not identify any impairment to its goodwill. The change in segment reporting was made to align with financial reporting results regularly provided to the Company’s chief operating decision maker ("CODM") to assess the business. The CODM reviews segment revenue and segment income (loss) from operations as a proxy for the performance of the Company’s operations. The U.S. Marketplace segment derives revenues from marketplace services from customers within the United States. The Digital Wholesale segment derives revenues from Dealer-to-Dealer and Instant Max Cash Offer services and products which are sold on the CarOffer platform. The Company also has two operating segments which are individually immaterial and therefore aggregated into the Other category to reconcile reportable segments to the Unaudited Condensed Consolidated Income Statements. The Other category derives revenues from marketplace services from customers outside of the United States.

(3) For the year ended December 31, 2022, Digital Wholesale segment income (loss) from operations did not reflect certain Dealer-to-Dealer and Instant Max Cash Offer ("IMCO") related capitalized website development amortization incurred by the U.S. Marketplace segment. During the three months ended March 31, 2023, the Company updated Digital Wholesale segment income (loss) from operations to reflect certain Dealer-to-Dealer and IMCO related capitalized website development amortization incurred by the U.S. Marketplace segment and accordingly updated Digital Wholesale segment income (loss) from operations for the three months ended September 30, 2022 for comparative purposes.
Fourth Quarter and Full-Year 2023 Guidance

CarGurus anticipates total revenue, product revenue, non-GAAP Consolidated Adjusted EBITDA, and non-GAAP earnings per share ("EPS") to be in the following ranges:

**Fourth Quarter 2023:**

<table>
<thead>
<tr>
<th></th>
<th>Range</th>
</tr>
</thead>
<tbody>
<tr>
<td>Total revenue</td>
<td>$208 million to $228 million</td>
</tr>
<tr>
<td>Product revenue</td>
<td>$12 million to $22 million</td>
</tr>
<tr>
<td>Non-GAAP Consolidated Adjusted EBITDA</td>
<td>$46 million to $54 million</td>
</tr>
<tr>
<td>Non-GAAP EPS</td>
<td>$0.30 to $0.33</td>
</tr>
</tbody>
</table>

**Full-Year 2023:**

<table>
<thead>
<tr>
<th></th>
<th>Range</th>
</tr>
</thead>
<tbody>
<tr>
<td>Total revenue</td>
<td>$899 million to $919 million</td>
</tr>
<tr>
<td>Product revenue</td>
<td>$108 million to $118 million</td>
</tr>
<tr>
<td>Non-GAAP Consolidated Adjusted EBITDA</td>
<td>$181 million to $189 million</td>
</tr>
<tr>
<td>Non-GAAP EPS</td>
<td>$1.19 to $1.22</td>
</tr>
</tbody>
</table>

The fourth quarter and full-year 2023 non-GAAP EPS calculation assumes 113.5 million and 114.6 million, respectively diluted weighted-average common shares outstanding.

The assumptions that are built into guidance for the fourth quarter and full-year 2023 regarding our pace of paid dealer acquisition, churn, and expansion activity for the relevant period are based on recent market behaviors and industry conditions. Guidance for the fourth quarter and full-year 2023 excludes macro-level industry issues that result in dealers and consumers materially changing their recent market behaviors or that cause us to enact measures to assist dealers. Guidance also excludes adjustments to the carrying value of redeemable noncontrolling interests resulting from potential changes in the redemption value of such interests, and any potential impact of foreign currency exchange gains or losses.

CarGurus has not reconciled its guidance of non-GAAP consolidated adjusted EBITDA to GAAP consolidated net income or non-GAAP consolidated EPS to GAAP consolidated EPS because reconciling items between such GAAP and non-GAAP financial measures, which include, as applicable, stock-based compensation, amortization of intangible assets, impairment of long-lived assets, depreciation expenses, non-intangible amortization, other (income) expense, net, the provision for income taxes, income tax effects, and adjustments to the carrying value of redeemable noncontrolling interests resulting from changes in the redemption value of such interests, cannot be reasonably predicted due to, as applicable, the timing, amount, valuation and number of future employee equity awards, and the uncertainty relating to the timing, frequency, and effect of acquisitions and the significance of the resulting acquisition-related expenses, including adjustments to the carrying value of redeemable noncontrolling interests resulting from potential changes in the redemption value of such interests, and therefore cannot be determined without unreasonable effort. For more information regarding the non-GAAP financial measures discussed in this press release, please see the reconciliations of GAAP financial measures to non-GAAP financial measures and the section titled "Non-GAAP Financial Measures and Other Business Metrics" below.

Non-GAAP Financial Measures and Other Business Metrics

To supplement our Unaudited Condensed Consolidated financial statements, which are prepared and presented in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), we provide investors with certain non-GAAP financial measures and other business metrics, which we believe are helpful to our investors. We use these non-GAAP financial measures and other business metrics for financial and operational decision-making purposes and as a means to evaluate period-to-period comparisons. We believe that these non-GAAP financial measures and other business metrics provide useful information about our operating results, enhance the overall understanding of past financial performance, and future prospects and allow for greater transparency with respect to metrics used by our management in its financial and operational decision-making.

The presentation of non-GAAP financial information and other business metrics is not meant to be considered in isolation or as a substitute for the directly comparable financial measures prepared in accordance with GAAP. While our non-GAAP financial measures and other business metrics are an important tool for financial and operational decision-making and for evaluating our own operating results over different periods of time, we urge investors to review the reconciliation of these financial measures to the comparable GAAP financial measures included above, and not to rely on any single financial measure to evaluate our business.

While a reconciliation of non-GAAP guidance measures to corresponding GAAP measures is not available on a forward-looking basis without unreasonable effort due to, as applicable, the timing, amount, valuation, and number of future employee equity awards, and the uncertainty relating to the timing, frequency, and effect of acquisitions and the significance of the resulting acquisition-related expenses, including adjustments to the carrying value of redeemable noncontrolling interests resulting from potential changes in the redemption value of such interests, we have provided a reconciliation of non-GAAP financial measures and other business metrics to the nearest comparable GAAP measures in the accompanying financial statement tables included in this press release.

We monitor operating measures of certain non-GAAP items including non-GAAP gross profit, non-GAAP gross margin, non-GAAP expense, non-GAAP consolidated net income, non-GAAP net income attributable to common stockholders, and non-GAAP net income per share attributable to common stockholders. These non-GAAP financial measures exclude the effect of stock-based compensation expense and amortization of intangible assets. Non-GAAP consolidated net income, non-GAAP net income attributable to common stockholders, and non-GAAP net income per share attributable to common stockholders also exclude certain income tax effects and adjustments. Non-GAAP net income attributable to common stockholders and non-GAAP net income per share attributable to common stockholders also exclude non-GAAP net income (loss) attributable to redeemable noncontrolling interests. We define non-GAAP net income (loss) attributable to redeemable noncontrolling interests as net loss attributable to redeemable noncontrolling interests, adjusted to exclude: stock-based compensation expenses and amortization of intangible assets. These exclusions are adjusted for redeemable noncontrolling interest. Our calculations of non-GAAP net income per share attributable to common stockholders utilize applicable GAAP share counts as included in the accompanying financial statement tables included in this press release. We believe that these non-GAAP financial measures provide useful information about our operating results, enhance the overall understanding of past financial performance and future prospects and allow for greater transparency with respect to metrics used by our management in its financial and operational decision-making.

We define Consolidated Adjusted EBITDA as consolidated net income, adjusted to exclude: depreciation and amortization, impairment of long-lived assets, stock-based compensation expense, other (income) expense, net, and provision for income taxes. We define Adjusted EBITDA as Consolidated Adjusted EBITDA adjusted to exclude Adjusted EBITDA attributable to redeemable noncontrolling interest. We define Adjusted EBITDA attributable to redeemable noncontrolling interest as net loss attributable to redeemable noncontrolling interest, adjusted to exclude: depreciation and amortization, impairment of long-lived assets, stock-based compensation expense, other expense, net, and provision for income taxes. These exclusions are adjusted for redeemable noncontrolling interest of 38% by taking the noncontrolling interest’s full financial results and multiplying each line item in the reconciliation by 38%. The Company notes that it uses 38%, versus 49%, to allocate the share of income (loss) because it represents the portion attributable to the redeemable noncontrolling interest. The 38% is exclusive of CO Incentive Units, Subject Units, and 2021 Incentive Units (each as defined in the Company’s Annual Report on Form 10-K as of December 31, 2022 filed on March 1, 2023) liability classified awards which do not participate in the share of income (loss).
We have presented Consolidated Adjusted EBITDA and Adjusted EBITDA, because they are key measures used by our management and board of directors to understand and evaluate our operating performance, generate future operating plans, and make strategic decisions regarding the allocation of capital. In particular, we believe that the exclusion of certain items in calculating Consolidated Adjusted EBITDA and Adjusted EBITDA can produce a useful measure for period-to-period comparisons of our business. We have presented Adjusted EBITDA attributable to redeemable noncontrolling interest because it is used by our management to reconcile Consolidated Adjusted EBITDA to Adjusted EBITDA. It represents the portion of Consolidated Adjusted EBITDA that is attributable to our noncontrolling interest. Adjusted EBITDA attributable to redeemable noncontrolling interest is not intended to be reviewed on its own.

We define Free Cash Flow as cash flow from operations, adjusted to include purchases of property and equipment and capitalization of website development costs. We have presented Free Cash Flow because it is a measure of our financial performance that represents the cash that we are able to generate after expenditures required to maintain or expand our asset base.

We define paying dealer as a dealer account with an active, paid marketplace subscription at the end of a defined period.

We define QARSD, which is measured at the end of a fiscal quarter, as the marketplace revenue primarily from subscriptions to our Listings packages and Real-time Performance Marketing digital advertising suite during that trailing quarter divided by the average number of paying dealers in that marketplace during the quarter. We calculate the average number of paying dealers for a period by adding the number of paying dealers at the end of such period and the end of the prior period and dividing by two.

For each of our websites (excluding the CarOffer website), we define a monthly unique user as an individual who has visited any such website within a calendar month, based on data as measured by Google Analytics. We calculate average monthly unique users as the sum of the monthly unique users of each of our websites in a given period, divided by the number of months in that period. We count a unique user the first time a computer or mobile device with a unique device identifier accesses any of our websites during a calendar month. If an individual accesses a website using a different device within a given month, the first access by each such device is counted as a separate unique user. If an individual uses multiple browsers on a single device and/or clears their cookies and returns to our site within a calendar month, each such visit is counted as a separate unique user.

We define monthly sessions as the number of distinct visits to our websites (excluding the CarOffer website) that take place each month within a given time frame, as measured and defined by Google Analytics. We calculate average monthly sessions as the sum of the monthly sessions in a given period, divided by the number of months in that period. A session is defined as beginning with the first page view from a computer or mobile device and ending at the earliest of when a user closes their browser window, after 30 minutes of inactivity, or each night at midnight (i) Eastern Time for our United States and Canada websites, other than the Autolist website, (ii) Pacific Time for the Autolist website, and (iii) Greenwich Mean Time for our United Kingdom websites. A session can be made up of multiple page views and visitor actions, such as performing a search, visiting vehicle detail pages, and connecting with a dealer.

We define Transactions within the Digital Wholesale segment as the number of vehicles processed from car dealers, consumers, and other marketplaces through the CarOffer website within the applicable period. Transactions consists of each unique vehicle (based on vehicle identification number) that reaches “sold and invoiced” status on the CarOffer website within the applicable period, including vehicles sold to car dealers, vehicles sold at third-party auctions, vehicles ultimately sold to a different buyer, and vehicles that are returned to their owners without completion of a sale transaction. We exclude vehicles processed within CarOffer’s intra-group trading solution (Group Trade) from the definition of Transactions, and we only count any unique vehicle once even if it reaches sold status multiple times. Digital Wholesale includes Dealer-to-Dealer transactions and Instant Max Cash Offer transactions. We view Transactions as a key business metric, and we believe it provides useful information to investors, because it provides insight into growth and revenue for the Digital Wholesale segment. Transactions drive a significant portion of Digital Wholesale segment revenue. We believe growth in Transactions demonstrates consumer and dealer utilization and our market share penetration in the Digital Wholesale segment.
